I have just been philosophizing with
about whether our clipping service should be con-
tinued for officers other than the Director, Deputy Director,
and Executive Director.

I think that this service is well worth
questioning, especially in the light of our cost reduction pro-
gram and goal. However, I do not wish to discontinue it
precipitously and without first finding out from the other
recipients how much value and importance they attach to it.
I should therefore appreciate your continuing this service
during Jack's absence and until we have had a chance to
examine it in an orderly way.
